SONGS of faith-hope-and-love

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

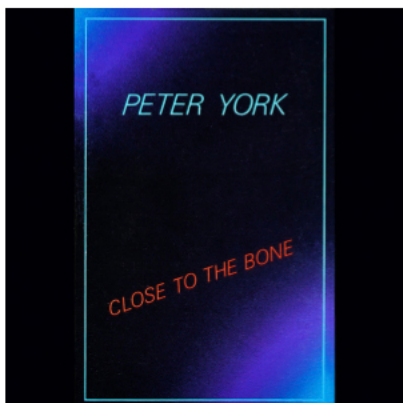

I was introduced to the **CLOSE TO THE BONE** album while Peter York was on the national "Regardless" Tour in 1985, hosted by Fusion Australia. His 10 songs are still vibrant and relevant 35 years on. I hope you enjoy this album as I have.

FINDING GOLD is close to my heart as I was personally involved with this album that featured in the 2000 Olympic schools programme. The songs help capture the true Olympic message that, *The most important thing...is not to win but to take part. Just as the most important thing in life is not the triumph, but the struggle.*

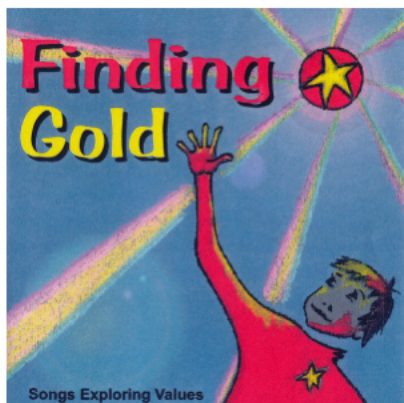

A challenge! Can you 'upgrade' the lyrics of Song 1. **Finding Gold** to include current Aussie athletes? Please forward the 'upgrade' to me by email.

We appreciate your support. Please let others know about this music website if you have found it helpful or inspiring.

CLOSE TO THE BONE songs capture a variety of human emotions, extols people who have influenced history, explores the fragility of life and acknowledges a higher being that *is still guiding me right*. **ON THIS DAY** pays tribute to *The One who is worthy, He came among us...Jesus said, 'Come, take all I give to you, get up and celebrate'...* **BLOW YOUR HOUSE AWAY** is a great retelling of the Biblical parable Jesus told 2000 years ago.

The **FINDING GOLD** 10 song album was compiled by Gerry Holmes on the eve of the Sydney 2000 Olympic Games. The songs were utilized in the **FINDING GOLD** primary schools programmes that were conducted across South Australia. They explored self worth of the individual, reinforced working with others in a team, encouraged students to discover their gifts in life, and also experience the 'great adventure' of connecting with God.
